RELEASE FROM WEARING ADDITIONAL PADDING

Due to the physical demand and nature of the activity of skateboarding, The Edge Skatepark REQUIRES the use of a helmet, as well as additional padding (knee pads and elbow pads). It is noted that some participants wish to risk participating in the activity of skateboarding WITHOUT the use of additional padding. This form is to verify that as an adult participant or the parent of a youth participant you understand that The Edge Skatepark has REQUIRED the use of additional padding, and **you have decided to risk participating WITHOUT the use of additional padding.**

I understand that the use of a helmet is always mandatory. I also understand that the use of knee pads and elbow pads is also required, but by signing below, I may choose to decline the use of these additional pads. I agree on my own behalf, and on the behalf of the Participant to indemnify The Edge Skatepark and hold it harmless against any liability, claim, action, suit or demand whatsoever which may arise in connection with or during the Participants attendance at the premises of The Edge Skatepark, use of the facilities and equipment, and participation in the programs and activities offered by The Edge Skatepark.

I have read this document, I understand it and agree to the terms set out above.
